I just faxed the discovery packet to you. If you don't receive it or there are any problems, please let me know. Thanks.

Hi-

I received your discovery packet request for the above mentioned case and should not have a problem getting it to you before March 15, 2011. However, I do not see the drug lab number(s) listed on the cover sheet nor the request. By looking up the defendant's name, I'm guessing that the numbers are [REDACTED] - am I correct? Once I am sure of the numbers, I will get right on preparing the packet. Thanks.
